Date 18 Nov 52

PERMANENT INFORMATION:

"22: Missions given Subject

In May 1944, Subject was asked by HUEGEL at the SF office in Verona to go to Florence where she was to be overrun by the Allies and spread propaganda against the Russians. She refused. Later, in Milan, ZIMMER asked her to do the same work as an agent in Switzerland. This she also refused...

25. It is the opinion of these Agents that Subject's friendship with HIMMLER and her many appeals to him for help absolutely controvert her denial that she ever received money or a missions from the SS or SD. Nor can she be heard to pass off lightly her dealings with such notorious SD and SS officials as Col. DOLLMAN, KAPPLER, ENGEL, ZIMMER, and HUEGEL. She claimed only to have seen them a few times and then merely to ask personal favors of them. "
